Howland Wood, Curator,
The American Numismatic Society,
Broadway at 156 Street,
New York City.

Dear Sir :

Thank you so much for your letter of the 8th, giving information concerning the Paris Miners Company token and the George III penny.

Under separate cover I am sending to you a copy of our recently published map of Manhattan ; the Numismatic Society Building is so prominently displayed in the upper-island section that I thought it would be of especial interest to you.

With repeated thanks, I am,

Very truly yours,

Kenneth Fuessle

Mr. Kenneth Fuessle,
6, East 8th Street,
New York, N.Y.

Dear Sir:

Please accept my thanks for the copy of the map of Manhattan, which was received this morning together with your letter. As you say, it is of course interesting to us to see the Society building so prominently displayed!

Yours very truly,

Curator.
